Welcome to the  INPUT project

Good practices for employment of migrant population in Europe

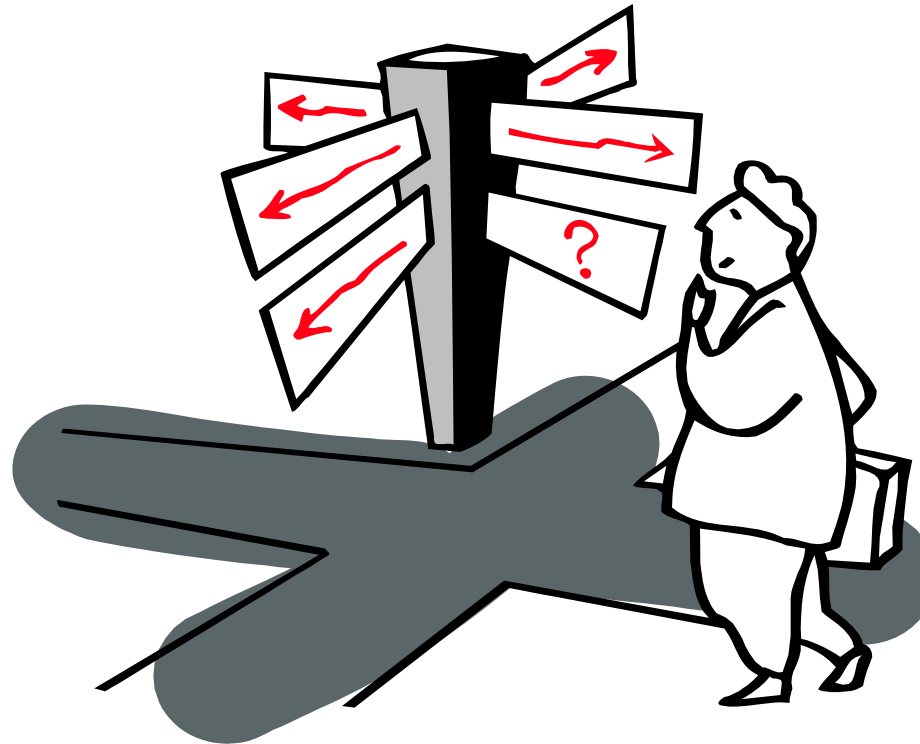

Some reflections...

Some reflections...

...Not to get lost before starting the journey.

Good Practices

Any action that leads efficiently to an objective previously defined...

What does it mean **efficiency** in social work?

11 key words GOOD *Social* PRACTICES: Innovation, Portability, Personalization, Empowerment, Sustainability, Sinergy, Satisfaction of needs, Social networks generation, Gender perspective, Community perspective, Cultural approach.

And one **logical principle**: A good social practice must -somehow- improve a preexistent social problem.

Employment

To work, and to receive money for that

Employment *with dignity*

Job interview at IKEA

We are going to sign with you a 5 minutes contract and then we'll see...

Make yourself a chair and sit down...

Migrant* population

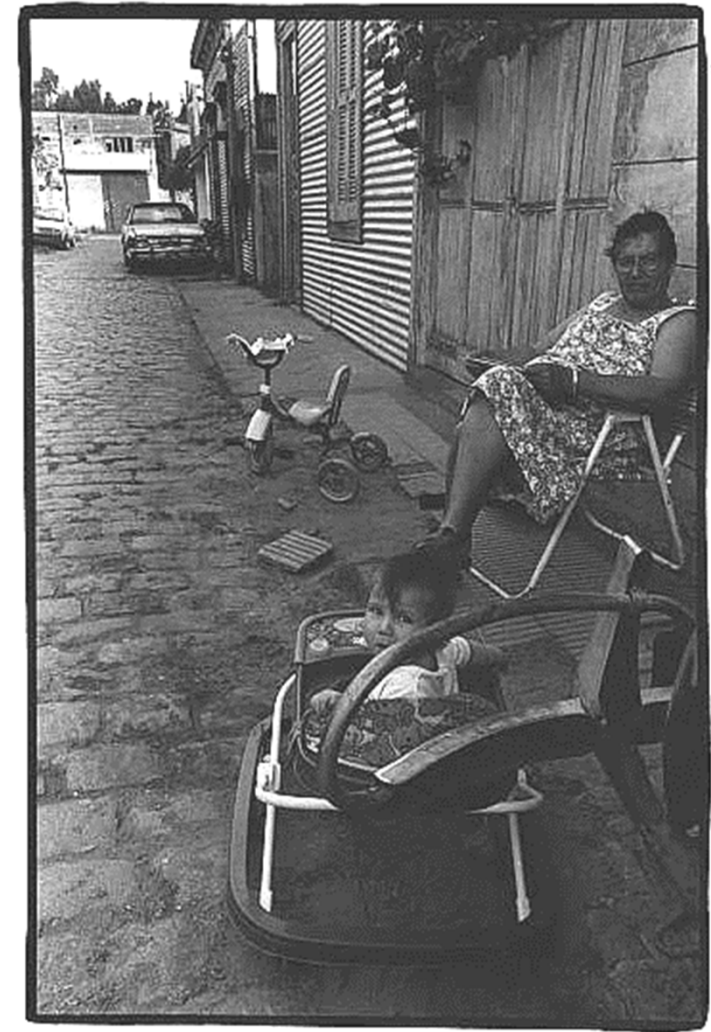

Ronaldo

Messi

Robben

...migrants??

***Why** working with Migrant* population?*

*If you have come to help me,
you can go back home.*

*But, if you understand my
struggle for survival as your
own struggle to survive, then
stay here and maybe we can
work together.*

How to work with Migrant* population? (I)

There are no receipes...

How to work with Migrant* population? (II)

the moment and the technics

Design

Final report

The *experts*...

The other *experts*...

Who are the best experts?

Let me tell you a short story about experts and working with migrants...

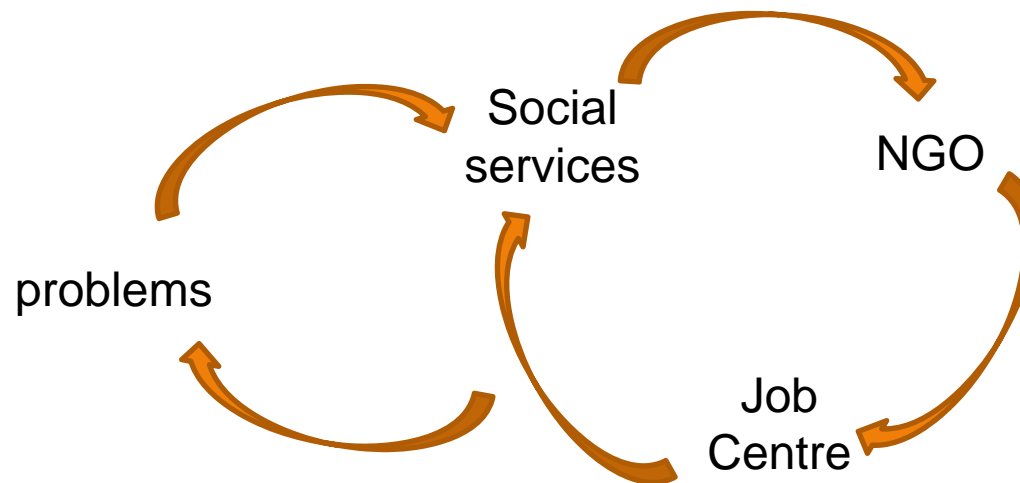

1950s...

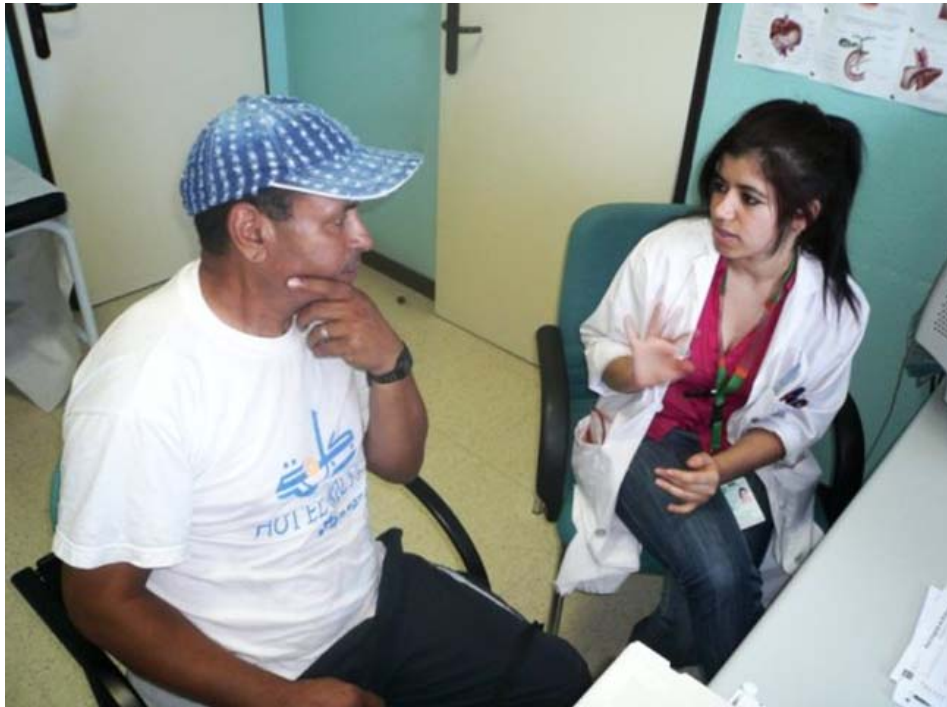

Just a couple of tips for tomorrow....

11 key words GOOD *Social* PRACTICES: Innovation, Portability, Personalization, Empowerment, **Sustainability**, Sinergy, Satisfaction of needs, **Social networks generation**, Gender perspective, Community perspective, Cultural approach.

The (almost) final step

Europe

Tu quoque Europus?

**Europe? What Europe?...the
battle for a (fair) future**
